

# Walker School Welcome Back 2021

walker staff members are excited about the upcoming school year! With safety at top of mind, we are happy to be working with your children!

Dear Parents/Guardians/Caregivers:

Thank you to the many families who have welcomed me as the principal of Walker School. I am excited to be here and join an already vibrant and caring community! As some your children may have told you, my emphasis is always on kindness and respect. This means kindness to all, and respect for oneself, others, our surroundings and Mother Earth.

Regina Public Schools is committed to providing school environments that are safe, caring and accepting places for students, staff, school visitors, and community members. On a daily basis we model appropriate behaviour and reinforce positive choices. Students are encouraged to take responsibility for their behaviors and to accept the consequences of their actions. Ensuring safety establishes a caring, calm and productive learning environment.

Walker staff look forward to working with you to provide a safe and caring school that reflects RBE values, where excellence in learning is a priority and where everyone feels they belong.

Sincerely,

*Nancy King*

Principal Walker School

## Welcome to New Staff!

We are pleased to welcome the following new staff members to Walker School:

## Safety Precautions at Walker

**Restricted Access to the School:** In order to keep our students and staff safe, **only Walker School staff and students will be permitted in the building at this time.** If it is necessary that you enter, you must phone the office first, wear a mask and wash hands and sign in upon entering.

**Student Pick-up and Drop-off:** All drop-offs and pick-ups of children will be done outside the school. **Masks are required for all who enter our playground.** Pre-Kindergarten and Kindergarten pick-up and drop-off will occur at the doors on the west side of the building.

## If Your Child is Feeling ill

Please keep your children home if they are feeling ill. This includes sore throat, fever, cough, fatigue, shortness of breath, etc. **Children must be symptom free for at least 48 hours before returning to school.**

If your child becomes ill at school, we will contact you immediately and you must make arrangements to have them picked up. Call HealthLine 811 if you have any health-related questions.
